Address: Department of Psychology  
University of South Florida  
4202 East Fowler Ave, PCD4118G  
Tampa, FL 33620  
Email: rschlauch@sf.edu  
Phone: (813) 974-4767

POSITIONS

---

2020-present Associate Professor  
Department of Psychology  
University of South Florida, Tampa

2014-2020 Assistant Professor  
Department of Psychology  
University of South Florida, Tampa

2013-2014 Research Scientist  
Research Institute on Addictions  
University at Buffalo, State University of New York

2011-2014 Adjunct Instructor  
Department of Psychology  
University at Buffalo, State University of New York

2010-2013 Postdoctoral Fellow  
Research Institute on Addictions  
University at Buffalo, State University of New York

EDUCATION/PROFESIONAL TRAINING

---

2015 Graduate Fellow in Randomized Behavioral Clinical Trials  
National Institute of Health, Office of Behavioral and Social Sciences Research  
Arlie

2009-2010 PredoctoralIntern, Clinical Psychology

FUNDING

Current

R01 AA030005 Schlauch/Maisto (MPIs) 09/20/2022-8/31/2027

National Institute on Alcohol Abuse and Alcoholism (NIAAA/NIH)

Project Title Clinical Course of Alcohol Use Disorder Recovery. Aims: To examine NIAAA's new definition of recovery within a novel theoretical model, as well as examine the relationship between clinical change points and changes in theoretically important process variables. Role Principal Investigator(contact) Total Costs\$2,797,961.

Completed

K23 AA021768 Schlauch(PI) 07/19/13 – 06/30/19

National Institute on Alcohol Abuse and Alcoholism (NIAAA/NIH)

Project Title: Ambivalence Model of Craving: Re-examining the drinking-craving relationship. Aims: To provide the candidate with additional training in both daily process and clinical trial methodologies via examination of the Ambivalence Model of Craving during pretreatment, treatment, and follow-up intervals among those diagnosed with AUD. Role: Principal Investigator. Total Costs\$28,878.

R01 AA022080 Stasiewicz (PI) 02/1/14 – 01/31/19

National Institute on Alcohol Abuse and Alcoholism (NIAAA/NIH)

Project Title: Pretreatment changes in drinking: Relationship to treatment outcomes. Aims: To

Examine the change in drinking behavior from baseline to treatment end point. Role: Principal Investigator. Total Costs\$1,158,110.

Project Title: Processes Associated with the Etiology and Treatment of Alcohol Use Disorders  
Role: Principal Investigator. Total Costs: \$14,088.

L30 AA022468 Schlauch(PI) 07/01/13 – 06/30/14

National Institute on Alcohol Abuse and Alcoholism (NIAAA/NIH)

Extramural Clinical Loan Repayment Program<sup>st</sup>-Competitive Renewal

Project Title: Processes Associated with the Etiology and Treatment of Alcohol Use Disorders

Role: Principal Investigator. Total Costs: \$26,569.

L30 DA032069 Schlauch(PI) 07/01/11 – 06/30/13

National Institute on Drug Abuse (NIDA/NIH)

Extramural Clinical Loan Repayment Program

Project Title: Personality and Substance Use

Role: Principal Investigator. Total Costs: \$50,443.

Howard T. Blane Director's Award Schlauch(PI) 03/15/12 – 12/31/13

Research Institute on Addictions (internal funding).

Project Title: ERP correlates of impulsivity and sensation-seeking. Aims: To differentiate cognitive mechanisms underlying the relationships between impulsivity and sensation-seeking and risky behaviors, including substance use. Role: PI. Total Costs: \$26,695.

Howard T. Blane Director's Award Schlauch/Levis/IAims[(rd)-3Res Lnd sLky beuding udyrlensia

Completed  
2022 Title:

Role: Dissertation Committee Member.

- 2019 Title: Linking distal and proximal influences to understand the relationship between alcohol use and risk behavior.  
Student:Patrick M. Logan, University of South Florida.  
Role: Comprehensive exam and Dissertation Committee Member.
- 2018 Title: Attentional bias to warning labels and motivation to quit smoking: Influence of graphic warning labels and message framing.  
Student:John S. Correa, University of South Florida.  
Role: Co-Chair Dissertation Committee.
- 2018 Title: Effects of motivation on prospective memory performance in Huntington's disease.  
Student:Emily Kellogg, University of South Florida.  
Role: Comprehensive exam and Dissertation Committee Member.
- 2018 Title: Comparing Two Perspectives for Understanding Decisions from Description and Experience  
Student:Sandra Kaufman, University of South Florida.  
Role: Dissertation Committee Member.
- 2017 Title: Linking insomnia symptoms and disinhibited behaviors: A Meta-Analysis.  
Student: Melanie Bozzay, University of South Florida.  
Role: Committee Member - Major Area Paper (Comprehensive Prelims).
- 2017 Title: Can we talk: Synergistic effects of cognitive and behavioral frameworks to address substance use and abuse.  
Student:Lauren J. Adams, University of South Florida.  
Role: Dissertation committee member.
- 2017 Title: The Independent Contributions of Emotion and Cognitive Dysfunction on Anosognosia in Huntington's Disease Patients.  
Student:Danielle Blinkoff, University of South Florida.  
Role: Comprehensive exam and Dissertation Committee member.
- 2014 Title: Treatment engagement and outcomes in a cognitive-behavioral therapy smoking cessation group program delivered by clinical psychology trainees.  
Student:Stephanie M. Jones, University of Western Australia  
Role: Dissertation External Reviewer.

#### MASTER'S THESIS COMMITTEES

##### Ongoing

- 2023-present Title: Psychiatric Symptom Severity and Performance Monitoring: Intraindividual Variability in Neural Responses and Behavioral Adjustments to Errors  
Student: Gemma Park, University of South Florida  
Role: Master's Thesis Committee Member

2022-present Title: Emotion Differentiation as a Moderator of the Relationship Between Affect

Motivation and Behavior among Black Smokers.  
Student Patricia Calixte Civil, University of South Florida.  
Role: Master's Thesis Committee Member.

- 2018 Title: Exploring the decisional process behind alcohol use: Converging evidence across multiple theories.  
Student: Emily Noyes, University of South Florida.  
Role: Advisor/Chair – Master's Thesis Committee.
- 2017 Title: Anticipatory motivation for drinking alcohol: An in-vivo study.  
Student: Bryan Benitez, University of South Florida.  
Role: Master's Thesis Committee Member.
- 2017 Title: Depression and choice of emotional stimuli.  
Student: Sunkyung Yoon, University of South Florida.  
Role: Master's Thesis committee member.
- 2017 Title: Psychopathic traits and substance use in the context of erotic services and sex exchange among college students.  
Student: Bethany G. Edwards, University of South Florida.  
Role: Master's Thesis committee member.
- 2017 Title: The effect of early onset alcohol use and first alcohol experience on reward

2022-present Mentor, Substance Misuse and Addictions Research Traineeship (SMART) funded by NIDA R25 DA050735 (PI Micah Johnson, USF). Program designed to recruit gifted students who are historically underrepresented in academia and train them to become the next generation of substance misuse and addiction scientists.

## TEACHING EXPERIENCE

---

### Graduate Courses

2017-present Co-Instructor, Evidence-Based Assessment (CLP 7379), Department of Psychology, University of South Florida

2016-present Co-Instructor, Assessment and Human Development (CLP 6438, formerly Adult Assessment), Department of Psychology, University of South Florida

2014-present Instructor/Supervisor Clinical Practicum (CLP 6946) Psychological Services Center, Department of Psychology, University of South Florida.

2015 Instructor/Supervisor, Motivational Interviewing Summer Workshop, Department of Psychology, University of South Florida.

2008-2009 Lab Instructor, Assessment, Florida State University, Department of Psychology, Taught 2 sections, Spring 08 and 09

### Undergraduate Courses

2018-present Instructor, Abnormal Psychology (CLP4143), Department of Psychology, University of South Florida, - Fall 2018 (49 students), Fall 2019 (49 students), Spring 2020 (49 students) Fall 2020 (2 sections; 68 and 45 students), Spring 2021 (49 students), Fall 2021 (49 students), Spring 2022 (49 students), Fall 2022 (49 students), Spring 2023 (online; 49 students).

2015-present Instructor, Introduction to Psychological Science (PSY2012), Department of Psychology, University of South Florida – Spring 2015 (~175 students), Fall 2015 (~400 students), Fall 2016 (~300 students), Fall 2017 (~385 students), Fall 2018 (~385 students), Fall 2019 (~385 students), Fall 2021 (~350 students), Summer 2022 (~100 students), Fall 2023 (~385 students).

2019 Instructor, Health Psychology (CLP4314), Department of Psychology, University of South Florida – Fall 2019 (49 students)

2014 Adjunct Instructor, Health Psychology, University at Buffalo, State University of New York – Total of 1 section taught, Spring 2014 (175 students)

2011-2014 Adjunct Instructor, Abnormal Psychology, University at Buffalo, State University of New York – Total of 3 section taught, Spring 2011 (384 students), Fall 2013 (3ent[010 ( s)-1 (e)4 (c)4 (t)-2 (i)-2 (on t)-2 (a)4 (ught)-2 (, S)-4 (pr)3 (i)-2 (ng 2011 ( )3 (3

Fall 2012 (450 Students), Spring 2013 (450 Students), Summer 2013 (75 students)

- 2006-2008 Instructor, Research Methods in Psychology with Lab, Florida State University – Total of 7 sections taught, Fall 06 - Fall 08 consecutively (1 per semester, average 75 students/section)
- 2005-2006 Instructor, General Psychology, Florida State University, total of 3 sections taught, Fall 05, Spring 06, Summer 06 (average 200 students/section).
- 2004-2005 Lab Instructor, Research Methods in Psychology with Lab, Florida State University – Total of 2 sections taught, Fall 06 and Spring 05 (average 25 students/section).

### CLINICAL EXPERIENCE

---

- 2009-2010 Predoctoral Intern, Division of Substance Abuse, Yale University School of Medicine

interviews, teacher interviews, school observations, writing integrated reports, and holding feedback sessions. Case load of 3 clients per month (full assessment and write-up). Weekly individual supervision. Supervisors: Beverly Atkeson, Ph.D. and Kristen Schmidt, Ph.D. (ADHD Clinic)

- 2004-2006 Graduate Student Therapist, Florida State University Psychology Clinic, Tallahassee, FL  
Psychotherapy and assessment with adults, adolescents, and children in a university-based, outpatient community mental health clinic. Experiences included individualized therapy, group therapy, Learning Disabilities and ADHD assessments, court-ordered evaluations, and screenings/intakes. Case load of 5 clients per week/Weekly group supervision. Supervisors: Thomas Joiner, Ph.D. and N. Brad Schmidt, Ph.D.
- 2002-2003 Employment Specialist/Vocational Case Manager, Developmental Disabilities Institute, Inc., Community Services for Adults, Career Development Program, Smithtown, NY.  
Provided vocational case management to adults with developmental disabilities, specifically Autism Spectrum Disorders and Intellectual Disabilities Support included monthly site visits, attending to any issues/concerns/problems at the workplace, advocacy, job development, semi-annual Individual Service Plan meetings, and implementation of behavior support plans.

#### PROFESSIONAL AFFILIATIONS

American Psychological Association, Division 50 (Society of Addictive Psychology), Member  
Research Society on Alcoholism, Member  
Association for Behavioral and Cognitive Therapies, Member
