

Computer Science Program Catalog 2021/2022 – 120 Hours

Requires a 3.5 grade average in Calculus I & II, Physics I with Lab, and Composition I & II for progression to upper-level. All grades "C" or better ("C-" is not acceptable). No more than two courses in upper-level pre-progression.

NOTE: This flowchart is provided as a guide; the catalog is the only definitive source of requirements.
