

Frequently Asked Questions & Answers USF Temporary Employee Retirement Plan (TERP)

The 401(a) FICA Alternative Plan (Plan) is a qualified retirement plan under Federal tax law that covers part-time, seasonal and temporary employees of the University who are not covered by the Florida Retirement System. The Plan provides an alternative benefit to Social Security and exempts you from FICA (Social Security) payroll taxes. You continue to pay Medicare taxes on your wages. Enrollment in the Plan is automatic for each eligible employee who works in a position covered by the Plan.

How much is contributed?

You contribute 7.5% of your wages on a pre-tax basis (for income tax purposes) instead of paying Social Security taxes that otherwise would be determined and paid by you on an after-tax basis. You will see your Plan contribution amount reflected on your paycheck stub. Contributions are credited to an individual account in your name under the Plan.

How will my account balance and future contributions be invested? Corebridge Financial
